Guidelines for booking.

The purpose of these guidelines is to ensure that the Association's members are secured a preferential right to the use of the cottage, and at the same time secure the highest possible rental income for the cabin.

Restrictions

The cabin cannot be booked by external users further into the future than 6 months. For internal users booking will not be confirmed earlier than 6 months prior to the requested arrival date, and if several users are requesting for the same dates, a selection will be made based on the following criterias:

- User with the longest period from last rental will be preferred
- Drawing lot

For the coming 6 months booking will be based on first come first served.
